Student Drop Off / Pick Up - Please use the west parking lot for student drop offs and pickups. This has a paved path and crosswalk ensuring the safest way for students to get through the bus zone. Do not use the bus entry during the morning or afternoon bus times. Also a reminder that if you pick up your child, please let the bus driver know so we aren't scrambling at the end of the day to find students who have left already. Thank you for your cooperation.

Over \$55 dollars in savings. Some great deals. Make great Christmas gifts add ins too! Only 200 and last year we sold out in 3 weeks. Come in today!
