

Grade One Supplies

For the past several years Wheatland Crossing has charged a school supply fee to elementary students that covers school supplies that are considered consumables. Consumables might include pencils, erasers, notebooks, duotangs, etc. With the support of WCS Parent Council the decision was made this year to charge the school supply fee of \$40 with an additional \$9 for agendas for the 2024-25 school year.

Grade One Additional Supplies Required

- Backpack
- Indoor Non marking Shoes

If you did not purchase the additional supplies you will also need to purchase these items.
