

Grade Four Supplies

For the past several years Wheatland Crossing has charged a school supply fee to elementary students that covers school supplies that are considered consumables. Consumables might include pencils, erasers, notebooks, duotangs, etc. With the support of WCS Parent Council the decision was made this year to charge the school supply fee of \$40 and a \$9 agenda fee for the 2024-25 school year.

Grade Four Additional Supplies Required
