

Green Shirt Day

Green Shirt Day is on April 7th, it is a day to raise awareness for organ donation. The first assignment for the High School Graphic Design class was to design a logo for Green Shirt Day. The class is selling shirts with their designs on them for \$15. Both Youth and Adult sizes are available (sizing chart on last 2 pages).

A graphic with a dark blue background. It features two rounded rectangular shapes: a light green one at the top and a light blue one at the bottom. The text "Green Shirt Day" is in bold black font on the green shape, and "April 7" is in bold dark green font on the blue shape. The design is decorated with various elements: white and green pill-shaped bars, white paperclip icons, and dark green brushstroke-like bars.

Logan

Boulet

Effect

On April 7, 2018, Humboldt Broncos defenceman Logan Boulet succumbed to his injuries. His parents, Bernadine and Toby Boulet offered to donate his organs so that six lives could live on. They did so because Logan told his parents he was registering as an organ donor and that he was inspired by his coach and mentor Ric Suggitt. Ric passed on June 27th, 2017 and was also an organ donor and saved 6 lives.
